A CAPRA WORLD SLAM® requires 12 different species (subspecies) of world animals from the above list, with the following exceptions: #44, #45 and #46 (Mallorcan wild goat, bezoar [hybrid] ibex and Kri-Kri [hybrid] ibex) do not count for the 12, but may be counted for the Super 20 and Super 30; #47 (feral goat) does not count for the 12 or Super 20, but may be counted for the Super 30.

**Only animals GSCO acknowledges in the Ovis and Capra categories will qualify for GSCO Awards.**

For each animal taken and listed above, please complete a Hunt Report. Feel free to make as many copies as necessary.  
 Please send photos (preferably field photos) of each animal!

Complete and mail to: **Grand Slam Club/Ovis • P.O. Box 310727 • Birmingham, AL 35231**
