

GRAND SLAM® | 3/4 SLAM® | 1/2 SLAM™

APPLICATION FORM

Use this form to register your 3/4 Slam®, 1/2 Slam™ or Grand Slam of North American Wild Sheep®. When a hunter takes and registers all four species of North American wild sheep, the achievement is a Grand Slam® and an official documentation number will be assigned. If a hunter takes and registers two or three of the four, that achievement is a 1/2 Slam™ or 3/4 Slam® respectively. This type documentation has been officially done by this organization (initially the Grand Slam Club, and since 2001, Grand Slam Club/Ovis) beginning in 1956.

No sheep taken from within a high-fenced enclosure is eligible to be registered with GSCO.
