Board of Directors
FNAWS
720 Allen Avenue
Cody, WY 82414

Dear Board:

I regretfully resign from the FNAWS board of directors, effective immediately. I have thought about this for many months, going back almost to the time when I allowed my name to be entered for re-election to the board. I was committed at that time, or I would not have stood for re-election. It is just that my circumstances since that time have changed, and brought me to this decision.

I know some of you are aware of my overloaded position, and I simply must give more time to my family and church. Additionally, Grand Slam Club/Ovis is demanding an increasing amount of my time. With my FNAWS board commitment, it has just gotten to be far more than any single individual can handle on an ongoing basis.

I am a Life Member of FNAWS and have been a member since 1981. Obviously I am proud of that membership and my record, and will continue on as a member. I also pledge to work with FNAWS in every way I can. I am a conservationist, and in my capacity with GSCO I realize we are all in this arena together. I am confident that we all can work together for the betterment of (as Theodore Roosevelt termed it) "the larger and more valuable wild creatures" of this world.

Sincerely,

Dennis Campbell
